## FOREWORD BY BOB MANKOFF

**Bob Mankoff** @BobMankoff  
Cartoon and Humor Editor, *Esquire* Magazine

Trump packs a lot into his 140 character tweets. Wheeler's illustrations unpack them.

## INTRODUCTION BY SHANNON WHEELER

I read over 30,000 of Donald (@realDonaldTrump) Trump's tweets. My bad dreams started around the 10,000th tweet. I'll skip the details, but I've lost my taste for pudding and British medical dramas.

Most of Trump's tweets are promotional: he links to articles about himself, he quotes his own books, he loves interviews, and he encourages you to stay in his hotels and play on his golf courses. But a number of his tweets are personal and appear unfiltered. Through this round-the-clock stream of consciousness, he expresses his desires, fears, and petty obsessions, his real personality.

His implicit message isn't about himself, it's about his reader. He encourages his fans to be themselves—not with aspiration, but indulgence. Be sexist. Be racist. Be fearful. Be selfish. Hate and fear the world. Consume. Be materialistic. Drive a big car. Drive as much as you want—there's plenty of oil in the world. There's enough for you. If we run out, Trump will do what it takes to keep the oil flowing and the gas cheap. Enjoy yourself—Trump will be the global bully to make sure our empire, and your self-indulgence, is assured.

I'm not only looking to caricature and parody Trump; I also want to understand his perspective and how it resonates with his supporters. Using his own words, I want to show how he contradicts himself, and lead the reader to question reality. I don't draw him as an ogre. I draw him as a child—a petulant, misunderstood, self-absorbed, self-righteous, narcissistic, spoiled brat of a child. Sometimes hilarious, other times infuriating. By using Trump's own words, and placing them in the context of his cartoon universe, I hope to give the reader a better chance of understanding the mind we elected. Like it or not, we can't ignore him.

Trump's first tweet  
was on the May 4th,  
2009, to promote his  
appearance on the  
David Letterman show.

The real story here is why are there so many illegal leaks coming out of Washington? Will these leaks be happening as I deal on N.Korea etc?

## SPECIAL THANKS

Charles (@C\_Brownstein) Brownstein told me to illustrate Trump's tweets in response to me complaining about doing another book of gags. He also wrote much of my introduction.

Thanks to David (@tipjar) Nicol for getting me started with thousands of Trump tweets. I also used several websites:

*The Horror* [xbias.com/the\\_horror](http://xbias.com/the_horror)

*Trump Twitter Archive* [www.trumptwitterarchive.com](http://www.trumptwitterarchive.com)

*Did Trump Tweet It?* [didtrumptweetit.com](http://didtrumptweetit.com)

Justin (@shitmydadsays) Halpern was nice enough to let me abuse his title for this book. He's funny as hell and a gentleman. Buy his other book too, *I Suck at Girls*.

Bill (@plymptoons) Plympton illustrated Kanye's tweets in *Through the Wire* long before Trump was even tweeting. I owe him a tip of the hat.

I inadvertently stole the "Asking for a Friend" gag from Andrew (@andrewaydin) Aydin, who created the amazing graphic novel trilogy *March* along with John (@repjohnlewis) Lewis and Nate (@Nate\_Powell\_Art) Powell.

Check out *The Unquotable Trump* by Robert (@RSikoryak) Sikoryak. He illustrates Trump quotes in various comic styles. He has a history of illustrating nonfiction and, conceptually, some of this book came from him.

Another inspiration for me is Bob (@doroughdoc) Dorough who sang a weather report, a draft card notice, a laundry ticket and more, on his album *This Is a Recording of Pop Art Songs*. Also check out his *Too Much Coffee Man* album (and *Schoc'house Rock*).

Some people are saying this is the greatest book of the year. This guy, Shannon Wheeler, he draws these cartoons for the *New Yorker*, *MAD*, the *Onion* — he's very, very, good, okay? Now he's illustrated the most incredible tweets. Wow! You won't believe what he does with these tweets. I mean, these tweets changed the world, folks. It's true! It's very true. **EVERYONE** is going to want this book — even the haters and losers (Sad!).

In *Sh\*t My President Says*, Eisner Award-winning cartoonist Shannon Wheeler tackles the 140-character president. For the first time, Donald Trump's most revealing tweets are collected, curated, and transformed into razor-sharp cartoons, offering a subversive and illuminating glimpse into the mind of the most divisive political figure of our time. Whether you love him or hate him, this take on Trump will help you come to grips with the man and his ideas thanks to Wheeler's signature mix of slapstick and sophistication.
